March Report from the Shawnee Library System

ShLS board voted unanimously to endorse and implement the Delivery Standards. The delivery manager is preparing a mailing for all libraries that will notify them of the impact this will have on their delivery and let them know their options.

Strategic Planning: The Board endorsed the document the addition of Literacy as a value and were happy to see it added.

Under Resource Sharing, the discussion focused on section 3.a.1 and 3.a.2

Legal, Governance and Membership. The Application to Merge was unanimously approved. Discussion focused around who would write the plan of service and whether to hire a permanent or interim director.

An advisory council meeting for membership is scheduled for March 29th at the Rend Lake Marketplace, which will provide a good opportunity for member input and information sessions are being scheduled later in the spring throughout the systems, making use of the regional training centers.
